SUMMARY

Results-driven Front-End Developer with a solid background in HTML, CSS, JavaScript, and React. Experienced in developing responsive, user-friendly, and interactive web applications. Strong problem-solving abilities, teamwork skills, and project management experience through academic projects, volunteer leadership roles, and competitive programming. Passionate about modern web technologies, UI/UX best practices, and performance optimization. Seeking an opportunity to contribute technical expertise and creative problem-solving to a dynamic development team.

EDUCATION

Faculty of Computers Science and Artificial Intelligence, Benha University

Bachelor's in Computer Science (Expected Graduation: 2026)

Achievements:

- Participated in the ACPC (Arab Collegiate Programming Contest), gaining expertise in data structures, algorithms, and competitive programming.
